

## 2010-11 Course Registration Form – Grade 11

*This completed form must be returned to the Head of the Upper School.*

<b>Student Name:</b>		
<b>Student Signature:</b>		Date _____
<b>Parent Signature:</b>		Date _____
<b>Head of the Upper School Signature:</b>		Date _____

Listed below are the elective options available to all 11<sup>th</sup> grade students. Before you elect to sign-up for any of the courses listed below, please review your prearranged schedule with your Advisor. Should you want to change any courses into which you have already been enrolled, you must receive written permission from the Chair of the department of the course. Add/Drop forms can be picked up in the Upper School office.

Please be sure that you have met any indicated prerequisites before you sign-up for a class. For example, please do not request Dance Ensemble II if you have not met the prerequisite of Dance Ensemble I.

All students are required to take a minimum of 6 classes and can register for no more than 8 classes. Physical Education, Human Relations and College Guidance do not count towards these limits.

Please note that in some cases, you may be asked to rank your choice of electives, as not all electives will run each trimester and schedule limitations may prevent you from being enrolled in your first choice. Additionally, there are minimum enrollment numbers required for some of the electives listed below.

Course descriptions can be found in the 2010-2011 Upper School Course Catalog, on the school's website, [www.holychildrye.org](http://www.holychildrye.org). Please see your Advisor or the Head of the Upper School with any questions.

**Language\***                      If you are considering supplementing your schedule with a second or third language, please see either the Language Department Chair or the Head of the Upper School
