

Laptop Order Letter

June 2010

Dear Parents,

This is the first year that Holy Child will be offering a choice between a Dell and a Mac laptop. You may choose either one but please make sure that you understand the differences in warranty and price between the two laptops so you know exactly what you are getting. The school will service and support both the Dell and the MacBook Pro.

The **Dell laptop** is a Latitude E6410. This model comes complete with all required software for the school as well as a carrying case. The specifications for the E6410 model are listed below:

Dell Latitude E6410
Intel® Core™ i5-540M (2.53GHz, 3M cache) with Turbo Boost Technology
4GB RAM 2DIMMS
14.1 Wide Screen WXGA+ Anti-Glare LED Display
160GB Hard Drive
8X DVD-ROM Drive (in module bay)
Light Sensitive Web Cam
Internal Wired Network Adapter
Intel® Centrino® Advanced-N 6200 802.11a/b/g/n
9 Cell Battery (one year warranty on battery)
Nylon Case
Windows 7 Professional **64 bit** (Operating System)
3 Year Next Business Day On-site service warranty with 3 year Complete Care*

*Complete Care covers accidental damage to the laptop

The cost of the Laptop as configured above is \$1279.00. This cost does not include tax or shipping.

There are certain options available on the Dell laptop. To view these options please visit the Dell website listed below. Please note that none of these options is required. The default configuration listed above is more than adequate and is the recommended configuration.

To place an order online through Dell's web site, go to www.dell.com/atg/holychildrye. This address will bring up the School's laptop default configuration page and you should see the School's Latitude E6410 configuration. Click the "Start Shopping" button and then the "Customize" link to see the available options and select any options you wish to add. Please note that the default configuration is more than adequate for school and you do not need to purchase additional options. When you have finalized your selections, please click on the link that says "Add to Cart." When you are ready to checkout, click the "Checkout" button. If you scroll down the page you will see that the shipping address for the laptop is set for the School and it cannot be changed. Next, fill in the "Student Name" field, and then select the type of payment method. Click the "Continue" button then follow the on-screen instructions to complete the sale.

Please make sure that you place your order **no later than July 15th**. **If you do not order by July 15th then you may not receive your new laptop in time for the start of school. The laptop will be shipped to the School** so we can add the necessary software and configure it for our network. You will be notified when the laptop arrives at the School and again when the

configuration is complete. You may pick up the laptop after it has been configured or we can hold it here until the first day of school.

The **MacBook Pro** is a 13" model. This model comes complete with all required software for the school but does not include a case. The specifications for the MacBook Pro laptop are listed below:

MacBook Pro 13"
Intel Core 2 Duo
4GB Memory
320GB Hard Drive
SD card slot
Built-in battery
NVIDIA GeForce 320M graphics
3 year Apple Care warranty*

***Please note that the Apple Care warranty does not cover accidental damage. This means that if the laptop is dropped or damaged by accident in any way you will be responsible for the cost of the repair or purchasing a new laptop if it is beyond repair.**

The cost of the MacBook Pro is \$1455.44. This cost does not include a laptop case. To purchase a case online that will fit your needs please visit <http://store.apple.com>

To purchase the MacBook Pro please fill out the enclosed order form and mail it back to the school at the address listed below with a check for \$1455.44 before July 15th. The school will order the laptop for you and call you when it is ready to be picked up. **If your order form and check are not received by the school by July 15th then a MacBook will not be ordered for you.**

Please mail the enclosed order form to:

Frank Lutz
School of the Holy Child
2225 Westchester Ave
Rye, NY 10580

Please note that if you decide to purchase a different laptop other than the Dell or the Mac, the School cannot provide support or service for it, therefore it is strongly recommended that you purchase one of these models. If you choose to purchase a different laptop or configuration, you will also be responsible for making sure the laptop has a compatible operating system and all necessary software. Please call me at Holy Child if you have any questions about purchasing a laptop on your own.

Sincerely,

Frank C. Lutz
Director of Technology
