

## Laptop Financial Aid Letter

June 16, 2010

Dear Parent,

Enclosed is the letter regarding ordering your daughter's laptop for the coming school year. Since you have received a financial aid award, the School is ordering your laptop directly. Therefore, please contact Frank Lutz to let him know if you prefer a Dell or a Mac for your daughter. We will contact you when the laptop is received.

We will add your portion of the laptop cost to your tuition bill for the coming school year.

If you have any questions about this process, please feel free to contact me at 967-5622 x220. Thank you and enjoy the summer.

Sincerely,

Eileen Robin
